

Maternity and Baby Item Websites KSA

Updated April 14, 2020

Website	Delivery Information from Comments
https://www.Babyshopstores.com/sa/en/	Tried baby shop and delivered within a week. This app contain a-lot of baby essentials and the prices are competitive especially if you used promo code.
https://www.lherb.com	Ordered on March 18 th and delivered on March 28 th via SMSA
https://www.Mothercare.com.sa/en	Shipment arrived within a week
https://www.nahdionline.com/en/	I placed an order last night and got it this morning
Https://www.Namshi.com	I just placed and order and they said it will deliver in 2 weeks
https://www.Noon.com/Saudi-en/	I ordered few things from noon. Some items arrived yesterday to my house by Samsa. When you receive the call ask noon representative to deliver to Samsa.
https://www.Souq.com/sa-en/	Last order (diapers) on March 18 th , delivered on March 22. I choose products that was "Fullfilled by Souq" Souq are still delivering within a week (as someone else said – fulfilled by sok is best bet for delivery) but quality is hit and miss, we ordered some tosy last week they arrived this week and were all fake knock off's from China
https://www.centrepoinstores.com/sa/en/	If you order directly from websites like centerpoint, zara ksa might be easier to deliver
https://www.Sa.hm.com/en/	I ordered from HM KSA if you are interested came within a week but it was before the campus closure
https://www.Zara.com/sa/en/	If you order directly from websites like centerpoint, zara ksa might be easier to deliver
https://dunnesstores.com	Took 4 weeks plus before restrictions for delivery
https://www.ikea.com/sa/en/	Placed the order (huge order) on 11.3, scheduled delivery was on 23.3 but it never came.
https://mumzworld.com/sa-en/	Lots of comments on mumzworld- looks like expect 4-6 weeks even before the restrictions
